The Duet Club of Hamilton

Donation Form

Play an active role in supporting the Hamilton music community by making a donation to the longest–standing women's musical organization in Canada!

Donations to our General Fund help cover the operating costs and allow the chorus, Women of Song, to bring joy through music to the community as they perform at retirement homes, long-term care facilities, churches and local festivals.

Donations to our Scholarship Fund fund scholarships to promising young local musicians participating in the Hamilton Music Festival. Scholarships are funded entirely by donations.

The Duet Club of Hamilton is a registered charity. Donations of $20 or more made to the general or scholarship fund will be acknowledged with an official receipt for income tax purposes. Donors will also be recognized in our Annual Report and in concert programs.
